Re: N.O.V. No. 93-35-08-01

Dear Mr. Carter:

I am returning herewith the original copies of the above referenced Notice of Violation issued to CalMat Co., which I received on October 14, 1993.

The subject mine site is owned and operated by Hidden Valley Coal Company, a Utah corporation. CalMat Co. has no standing in this matter. We should keep the identity of the permittee in this matter clear. We trust that no response to the Notice of Violation will be necessary.

Sincerely,

CalMat Co.

Mailing Address

Under authority of the Utah Coal Mining and Reclamation Act, Section 40-10-1 et seq., *Utah Code Annotated*, 1953, the undersigned authorized representative of the Division of Oil, Gas & Mining has conducted an inspection of above mine on above date and has found violation(s) of the act, regulations or required permit condition(s) listed in attachment(s). This notice constitutes a separate Notice of Violation for each violation listed.

You must abate each of these violations within the designated abatement time. You are responsible for doing all work in a safe and workmanlike manner.

The undersigned representative finds that cessation of mining is ☐ is not ☒ expressly or in practical effect required by this notice. For this purpose, "mining" means extracting coal from the earth or a waste pile, and transporting it within or from the mine site.

This notice shall remain in effect until it expires as provided on reverse side of this form, or is modified, terminated or vacated by written notice of an authorized representative of the director of the Division of Oil, Gas & Mining. Time for abatement may be extended by authorized representative for good cause, if a request is made within a reasonable time before the end of abatement period.
